

## **Governing Council**

**The Governing Council encompasses both Port Lincoln Junior and Port Lincoln Primary Schools' as an R-7 School body. Parents from both schools are welcome to join the Governing Council and attend meetings when they can.**

**Meetings are held twice a term on a Monday night in the Primary School Literacy Centre and provide an opportunity for parents to bring up issues that they are concerned about or changes they would like to see happen. This year the agenda has included items such as school uniform, replacing the surface of the hard play area at the Primary School, the re-location of a Kindergarten into the Junior Primary site, reviewing the healthy eating policy and more.**

**Governing Council is made up of Mums and Dads as well as Teachers, and parental input is highly valued. Children attend primary school for eight years, so it is important that parents have a say about what happens at the school and in the classroom.**

**Please feel free to join us at the next meeting. Meetings are usually in Week 3 and Week 8 and are announced in the newsletter/school calendar.**

**Belinda Ryan**

**2013 Chairperson**
